Experience

Web Developer - Freelance 2018 / 2019

[Website : http://najpovoljnijiudzbenici.rs **]**

- Prestashop platform was used for building this e-commerce website. The main purpose is to sell new and used school books. I was sole creator of this project, responsible for every aspect ranging from organizing, designing, coding, data entry to deploying to a web server.

[Website : http://advokatzivanovic.rs **]**

- Client wanted website built for his law-firm. I was responsible for visual identity, coding, optimizing web-site for Google Search Engine, deploying website to the web-server.

[Website: http://rubezicwebdesign.com**]**

- Portfolio web-site for getting in touch with clients, showing my previous work, my bio and my contact info.

[Javascript Project: JS-Tasker**]**

- Project based on vanilla javascript. It was done in a collaboration with a colleague from Front-End Codding School. Purpose is to serve users with javascript codding challenges , which were generated automatically by the engine we created.
